School Age Care Program

As your school-age children receive cognitive stimulation in school, the School Age Care Program (SAC) tries to provide opportunities for social interactions in multi-age groupings. The activities are planned to reinforce and extend your child's self-direction and self-reliance using a variety of equipment and materials. The SAC program offers before and after school care, and camps during the school holidays.

To maintain our affiliation with the Boys and Girls Club of America, the SAC program has numerous clubs to meet required "Core Programs".

Core Programs engage young people in activities with adults, peers, and family members that enable them to reach their full potential. Based on the interests and needs of the boys and girls they serve, clubs offer diverse program activites in five areas:

1) Character and Leadership Development
2) Education and Career Development
3) Health and Life Skills
4) The Arts
5) Sports, Fitness, and Recreation

The following is a sampling of the clubs the youth center offers:

- Triple Play
- Power Hour
- Smart Kids
- Arts & Crafts
- Adobe Voices
- Smart Girls
- Torch Club
- Passport to Manhood
- Stay Smart
