Quantico Youth & Teen Center

Youth Programs, on Marine Corps Base Quantico, were established to provide scheduled activities and events that are responsive to the physical, social, emotional, and cultural needs of our youth. The programs instill a sense of belonging, usefulness, influence, and competence, by providing the young people with one-on-one relationships with caring and fun, age-appropriate, well-rounded programing. Members are free to "do their own" thing during self-directed activities, provided they follow the center's guidelines on safety and conduct. Membership is open to dependents of military and civilian personnel aboard MCB Quantico between 6 and 18 years of age. The Quantico Youth and Teen Center (QYTC) is affiliated with the 4-H Club and the Boys & Girls Club of America (BGCA).
