

## **Continuing Education is Available at Park University for Military Service Members, Dependents, and Civilians**

As a designated four-year member institution, Park University provides bachelor and associate degree programs. The Park University School for Extended Learning has campus sites at Ft Belvoir, Ft Myer, Henderson Hall, and Quantico. Programs are available for military service members, their dependents, and civilians. Park University supports military dependents with scholarship opportunities and financial aid.

The Park University School for Extended Learning Military Resident Center System is one of the nation's largest programs consisting of approximately 26,000 enrollments. Park University proudly awarded degrees to over one hundred students, in its annual area Commencement Ceremony. The University offers 9-week terms for face-to-face courses, and 8-week terms for online courses.
