

# Federal Impact Aid:

## An Overview for Parents

2012-2013  
School Year

- Federal Impact Aid is a law that provides a way for the federal government to reimburse local school districts for the loss of property and business tax support associated with federally connected students residing on/off base in the county.
- The funding that your child's school receives in Impact Aid directly impacts his or her education by providing replacement funding for operating expenses such as materials, equipment, staff, special education programming, and building improvements as part of the general funding of the district.

## What can I do?

It's simple: Each year your child receives the Federal Survey Card form that requests confidential information regarding his/her federal connection (including military dependents). Simply by thoroughly completing and promptly returning this brief survey, you contribute to your child's school funding!

- Incomplete cards cannot be submitted for Impact Aid; thereby creating a loss of funding for the district.
- Information provided is protected under Privacy Laws.
