## MCB QUANTICO SCHOOL LIAISON PROGRAM

*Connecting Military Families,  
Schools, and the Marine Corps*

[www.quantico.usmc-mccs.org](http://www.quantico.usmc-mccs.org)

## GOALS

- ★ Identify barriers to the academic success of the school-aged military child and develop solutions
- ★ Smooth the transitional process
- ★ Promote parent and community involvement
- ★ Develop and coordinate school and community partnership initiatives
- ★ Provide Marine parents with the tools to overcome obstacles to academic success
- ★ Educate local schools and communities about the needs of military school-aged children and the military lifestyle
- ★ Provide an updated School Transition Checklist to families

## FOR THE FAMILY

- ★ Provide relocation information related to the education of school-aged children
  - area schools, immunization requirements, registration procedures, graduation requirements, special needs, etc.
- ★ Make referrals to military and community-based services
  - visit our website for more details [www.quantico.usmc-mccs.org](http://www.quantico.usmc-mccs.org)
- ★ Provide resources for developing skills to enhance education
  - involvement, special needs, scholarships, advocacy
- ★ Improve the communication and interaction between the family and schools

## FOR THE SCHOOL

- ★ Provide information regarding base services and assist in making contacts
  - visit our website for more details [www.quantico.usmc-mccs.org](http://www.quantico.usmc-mccs.org)
- ★ Work with school to address military family issues
  - involvement, quality of life, IEPs, student to student
- ★ Facilitate staff development on military culture, deployments, and transitions
  - general information, cycles, relocation, support
- ★ Share resources on scholarships, education opportunities, and trainings
- ★ Encourage Partners in Education
