

Our Professionalism is Noteworthy

"Mr. Weaver did an excellent job introducing me to all aspects of the Auto Skills Center."

-Carla Varnell, on AHS class

"I have been to at least a dozen Auto Skills Centers in my 18 years of service and this one is the best."

-David C. Turecotte

"The shop has excellent equipment. Thanks for being there."

-Ronald Bates

"Mr. Jeff apprised me of a situation with my tire which had life threatening potential... he took the initiative to provide immediate and comprehensive services... to ensure I could make it home and to a tire store in safety."

-Lt. David Berardinelli

"Tony was very helpful. My experience at the Auto Skills Center was great!"

-Capt. Kathleen McGinnis

"Jeff was extremely helpful, honest, and knowledgeable."

-Anonymous

2012 Events

Preventive Maintenance Class for Men & Women
Learn the basics of auto maintenance. A great class for students learning to drive.

Preventive Maintenance Class for Ladies
Do you know how to check your oil, transmission fluid, brake fluid, or change a tire? Learn the basics of auto maintenance in a class just for women.

Holiday Pre-Inspections
Leaving town for the holiday? Check in at the Auto Hobby Shop to have your vehicle inspected for the long weekend. *Active Duty & Spouses only.*

Brake Diagnosis Class
A beginner level class. Learn what to listen and feel for in order to diagnose your brake problem. After diagnosing your problem, learn what service will be needed to correct the problem.

Call the Auto Hobby Skills Center for information on the dates and times of upcoming classes.

About Your Auto Hobby Skills Center

Anything can be fixed!

Welcome to your Quantico Auto Hobby Skills Center, a do-it-yourself service shop manned and equipped to handle automotive projects and repairs.

Our shop is staffed with several trained employees to assist you and perform select services on your vehicle. The floor area consists of seven modern auto hydraulic lifts and six flat stalls, each equipped with quality tools for your use. Specialty and general tools are also available through checkout by the Quantico Auto Hobby Skills Center staff.

If all you need is an oil change, we have two drive-on lube racks specifically for lube jobs and oil and filter changes. In our retail outlet we sell oil filters, oil, and fluids. If it's parts you need, we can order them for you!

Whether you're rebuilding a classic or giving the family cruiser a wheel alignment, the Quantico Auto Hobby Skills Center is your one-stop vehicle repair and maintenance shop!
