

NOTIFICATION OF VIDEO SURVEILLANCE

To promote the safety of employees, contractors, and visitors, as well as the security of our facilities and equipment, Marine Corps Community Services (MCCS) may conduct video surveillance of any portion of its premises at any time; the only exception being private areas of restrooms, showers, and dressing rooms. Video cameras will be positioned in appropriate places within and around MCCS buildings and used in order to help promote the safety and security of people and property.

Questions about video surveillance in the workplace should be directed to the Human Resources Branch.
