

# AUTO SKILLS PROGRAM

## Saving MCCS patrons millions of dollars annually

*In order to continue to provide quality services and meaningful benefits for our patrons, new rates will be implemented by 1 March 2015 Marine Corps-wide while still providing substantial savings.*

The **ULTIMATE Do-It-Yourself Automotive Skills Program** offers the opportunity to learn life-long skills in a safe, clean and friendly environment while saving money on maintenance and restoration of your vehicle. Amenities, Services & Program Benefits:

- Experienced/Certified (ASE) staff to provide advice, instruction, and technical assistance
- Lifts and bays in a safe and clean environment
- Free use of hand tools with any bay rental
- Automotive Skills Development Classes and Assistance
- **Average patron savings is \$75-100 per visit**, based on select services
- Convenient and approved HAZMAT storage and disposal for automotive related hazardous materials (oil, antifreeze, tires, etc.)
